

MEIKO[®] ACTIVE

KS U

Liquid universal rinse aid,
concentrate, acidic

- Uniform wetting as well as drip- and streak-free drying of mixed dishes
- Brilliant shine
- No taste or odour
- Reduces foaming
- Combats limescale build-up in rinse system
- Delivers optimum washing results when used alongside MEIKO ACTIVE detergents

Instructions for use:

MEIKO ACTIVE KS U is used with a dosing unit. The dosing is determined by water hardness, type of washware, type of dishwashing machine, etc.

Recommended dosing

0.1-0.7 g/l water

Specific note:

If products are switched, a service technician must attend. Before first using a new product type, always rinse the dosing pipe with clean water to avoid any build-up of crystallisation. Do not mix with any other products!

Composition and Detergents Regulation information

Please see safety data sheet.

Storage conditions

Store between 0 and 40 °C.
